

CHD Partners has extensive experience in helping local government to build safer communities and safer workplaces. We have supported in excess of 25 councils with the following services:

- Local crime prevention plans
- Crime profiles for local government areas
- Community safety audits of particular locations
- Crime risk assessments on new developments
- Security risk assessments of council facilities
- On-line surveys measuring perceptions of crime
- Community consultations for crime prevention initiatives
- Evaluation of crime prevention initiatives
- Crime specific projects, including those focusing on alcohol-related crime, domestic violence, malicious damage to property and graffiti
- Local Crime Prevention training
- Preventing Conflict with Young People training
- Armed Robbery Awareness and Prevention training

A wide range of council staff and residents have benefited from our services. The following comments demonstrate satisfaction with our services:

“CHD provided us with a professional and comprehensive crime prevention plan. The work of the team was enthusiastic with a strong theoretical base. Garner and his team were excellent with Councillors, staff and stakeholders. I highly recommend their work”

Local government client - Place Manager

“CHD Partners fill an important gap in meeting the challenges inherent in the prevention of crime, community safety and broader social policy issues. Not only was the project delivered in a timely and professional manner, I was also able to benefit from CHD’s valuable expertise and knowledge, which I believe will influence my approach to addressing ongoing and complex crime and safety issues”

Local government client - Crime Prevention Officer

“I have had a number of evaluation forms returned to me from the staff who attended the training and they are all very happy with the training. I have had a number of people tell me that it was the best armed hold up training they have attended.”

Local government client - Facilities Supervisor

Further to our project work and training, we have developed a host of resources for local government personnel. These resources include:

- In excess of 35 crime prevention fact sheets
- An Induction Package for Crime Prevention Committees
- A Community Safety Audit Methodology
- Self-paced learning packages for rangers, pool attendants and rangers on dealing with young people
